

TruDrop One - Easy Drain System

	description	product ref.#
A	Easy Drain Screw Plug	AZ600588
B	Easy Drain barbed pull drain plug	BT002P193
C	Coupler for use with any easy drain plug	AZ607588

Make sure to order mess-free drain couplings if you will be emptying water cavity on a delicate surface.

How easy drain works

A or B

Replace the standard cap on the mouse hole opening at the bottom of the planter with the Easy Drain Screw cap or barbed pull drain cap depending on the planter selected.

C

When you are ready to drain the planter just use the coupler to connect to a standard garden hose. Hose can then be directed to a bucket or a green area away from decks or delicate floors.
